

TOWN OF PRESTON

PRESS RELEASE

NOTICE OF FEBRUARY 11, 2010 TOWN MEETING CHANGE

The anticipated Town Meeting scheduled for February 11, 2010 to approve the Conceptual & Management Plan (CMP) for the Preston Redevelopment Agency of Preston Riverwalk is planned for February 18, 2010.

Following the Draft CMP Public Hearing held January 28, 2010, all public comments and suggestions have been reviewed and addressed in the final version (v.14) posted on the Town website and available @ the Preston Town Hall.

Further due diligence regarding questions relating to the powers and duties section of the CMP has indicated that an amendment to the ordinance that established the Preston Redevelopment Agency is required to fully enable the Preston Redevelopment Agency to implement the Conceptual & Management Plan.

This week extension will allow the Preston Redevelopment Agency to fully and properly prepare the ordinance amendment for consideration by the Board of Selectmen.
