**OPEN FORUM: ARP: ESSER FEDERAL FUNDING**

**JUNE 10, 2021**

Dear Preston Learning Community,

As part of our work to develop the **Safe Return to In-Person Instruction and Continuity of Service Plan** and the **American Recovery Plan: Elementary and Secondary School Emergency Relief** funds (Yes, that's a lot!) the district is asked to seek public input.

Essentially, the district would like to hear suggestions regarding any priorities related to reopening next year and any ideas on how to effectively and efficiently use the federal money attached to the two items noted above.

Our first step in the process will be to hold a google meeting at **6 PM on June 10, 2021**. At this meeting there will be a brief overview of the federal, state, and district priorities and an open brainstorming of how to priorities ARP: ESSER funds. Please note that these funds are specifically designed to enhance, expand, and improve our currently funded local programming.

If you have an opportunity, please drop in.
