

Attention All,

Still dealing with technical issues on my end trying to find a viable platform. I am playing around with Zoom right now, but, I am still having issues, and so I did not want to put an Agenda up for Monday without the correct webinar information for all.

The meeting originally scheduled for Monday September 28th, will be postponed again, until Thursday October 1st, 2020, at 7 PM. An agenda with the log in and call in information will be sent sometime tomorrow.

Apologies to all!
