

Come help support our Children this Holiday Season

We are asking you, local Crafters and Business Owners, to help the PVMS P.T.O. give our students the opportunity to buy holiday gifts for their family in a unique way at no cost to the vendor.

The Children's Holiday Store is meant for students to buy exciting/usable goods with prices geared toward child purchases (ex. \$1.00 up to \$15.00). Suggested vendors include Crafters, Thirty-One Bags, Pampered Chef, Tastefully Simple, and Jewelry. We need local businesses/crafters to volunteer their time selling their goods to make the Children's Holiday Store a success. If you are a business or crafter and would like to contribute, please contact the P.T.O. All are welcome. We need items for kids to buy for all age ranges.

This will take place on:
