RE: Application of Blue Camp CT, LLC, 451, 453 and 495 Norwich-Westerly Road,
Preston, Connecticut

Dear Kathy:

It has recently come to my attention that, on behalf of the above referenced Applicant, we failed to provide notice to abutting property owners of the public hearing scheduled before the Town of Preston Planning and Zoning Commission for Tuesday, January 25, 2022. As such, we feel that it is neither prudent nor advisable to open the public hearing on the scheduled date of January 25, 2022. We hereby request that, at the January 25, 2022, meeting of the Preston Planning and Zoning Commission, the Commission schedule a new public hearing for its regularly scheduled meeting of February 23, 2022. Of course, we will compensate the Town of Preston for the advertising costs which it has incurred to date for the publication of the Notice of the public hearing scheduled for January 25, 2022.

As authorized agent for the Applicant, a thirty-five (35) day extension is hereby granted to the Town of Preston Planning and Zoning Commission of the statutory time period within which it is required to open the public hearing on this special exception and site plan application.
