Locations where sign will be located _____

Date of Installation _____

Reference Zoning Regulations Section 21

21.1 Permits & Tenure. All signs larger than thirty-two (32) square feet, except those shown on a site plan of a use approved by the Commission, shall require approval by the Zoning Enforcement Officer and shall meet all requirements of the Building Code and these Regulations. Applicants for permits shall be made on forms supplied by the Zoning Enforcement Officer. Failure to maintain signs shall be considered a violation of these Regulations. Upon discontinuance of a use, it shall be the responsibility of the property owner to eliminate signs pertaining to the use within thirty (30) days after such discontinuance.

21.2 Measurement of Sign Area. The area of a sign shall be considered that of the smallest trapezium or triangle which encompasses all framing, lettering, design, or symbols together with any background different from the balance of the wall on which it may be located, if such background is designed as an integral part of and obviously related to the sign. The minimum support needed to affix a sign to the ground or to a building shall not be considered part of a sign as defined in these Regulations.

Refer to Section 21.3 of the zoning Regulations for General Requirements, 21.4 for Residential District Signs, and 21.5 for Non-Residential District Signs.
