

Preston Plains Water Company

UPDATED NOTIFICATION OF CONSTRUCTION ACTIVITY

To: All Residents and Customers

From: Bryan L. Charity

Date: January 11, 2024

Project: Line Break Repair

Location of Work: Tanglewood Drive

Description of Work: Excavation and Repair made to water line on Tanglewood Drive

Schedule of Work: Starting at 8:30AM and approximated at 4 hours duration

Work to be performed by: MPTN – Utilities Staff

General Notes: During this period of construction water services will be terminated at the main line, therefore all residents will not have water service.

Please direct any questions to the PPWC Office at (860)396-6780.

UPDATE – The break has been repaired and water services have been restored. If you happen to notice any sediment or brown water, please run your cold water for 10-15 minutes, this should clear anything up. Please call if you have an questions.
