

TOWN OF PRESTON

Department of Public Works

NO PARKING NOTICE

With the impending winter storm, we would like to remind residents that per Town ordinance, vehicles, trailers, or any other object that impedes, obstructs, or interferes with snow removal operations must be removed from the roadway for the duration of the storm. Any vehicles in violation of the Town ordinance are subject to fines and may be towed at the owner's expense. Roads must be open curb-to-curb to facilitate the complete clearing of snow and ice. Vehicles or other objects within the roadway create hazards and make it difficult for plow drivers to safely and efficiently clear snow from roads. Additionally, vehicles left within the roadway are exposed to a higher risk of being damaged during snow removal operations. We ask for your cooperation with this [ordinance](#).
