Craig Blake is assisting us part-time with recreational activities, planning for the summer camps and some operational items.

Many of you might already know Craig as he has been the Summer Camp Director for a couple of seasons now and began as a Summer Camp Counselor many years ago.

Generally, Craig's hours will be 9am to 3:30pm on Wednesdays and two evenings per week (if needed) until he assumes his Summer Camp Director position in June.

Craig has also worked as a Preston referee for basketball and helped Youth Services Bureau with their summer enrichment camps and the Summer Sizzler.

Currently, he is a substitute teacher and looks forward to student teaching at NFA in the fall. He has a bachelor's degree in History and is pursuing his master's degree in Secondary Social Studies Education. Craig resides in Lisbon and enjoys acting and baseball.

Craig is very excited and grateful for the opportunity to work so closely with the town for multiple activities including the Summer Camps. Please give Craig a warm Preston welcome when you see him.
