

# PRESTON TOWN AND SCHOOLS STRATEGIC PLAN 2025-2030

This Preston Joint Strategic Plan serves as a guide in our decision-making process and is the focus of our intent and purpose. This plan is a living evergreen document that enables the us to continuously improve our strategies and make informed decisions based on updated information, essentially allowing for ongoing adjustments and refinements. The strategic planning process included an online survey, three public forums, telephone and other modalities to conduct interviews, internal leadership meetings and many hours of work.
