

## Southeastern CT Water Authority (SCWA) Two Vacancies for the Representative Advisory Board (RAB)

The Town of Preston, along with all other southeastern Connecticut municipalities, has the responsibility to appoint two people to the **Representative Advisory Board** to Southeastern Connecticut Water Authority. Appointments are made biennially, for two-year terms.

SCWA plays an important role in the planning and development of regional water policies, as well as the efficient and economical delivery of good, clean water to its customers. RAB members will actively represent its interests with regard to important water policies. The [fact sheet](#) outlines the important functions of the RAB.

More information:
