

**PRESTON TRANSFER STATION IMPROVEMENTS PROJECT  
ADDENDUM NO. 2  
SEPTEMBER 30, 2022**

TO ALL BIDDERS:

All instructions contained in this addendum shall be reflected in the Bid and will be made part of the Contract Documents when the Contract is awarded. Sealed Bids are still due to be received at the office of the First Selectwoman of the Town of Preston, Preston Town Hall, 389 Route 2, Preston, Connecticut, 06365; Attention: Sandra Allyn-Gauthier, First Selectwoman until **2:00 p.m. prevailing time on Wednesday, October 1, 2025**

Addenda will be posted on the Town's website under [Bid Opportunities | Preston, CT](#) and the Department of Administrative Services (DAS) Construction Services website. It is the responsibility of contractors bidding the project to distribute copies of this addendum to all subcontractors, suppliers and other entities providing quotations.

The following items form this addendum:

1. Clarifications & Response to Questions

**CLARIFICATIONS:**

**Bid Proposal Form revised with new quantity for Item 32 15 40 Crushed Stone Surfacing and added Item 03 31 00 Concrete Foundation for bidding canopy foundation/footings. See attached document.**

**RESPONSE TO QUESTIONS:**

Comment 1:

Regarding the note about the town providing dumpsters in the addendum, will that cover any of the excavated waste? Meaning, we won't have to supply our own dumpsters to remove any excess waste we dig up from the landfill?

***Response: No. Excavated waste is still a separate bid item. The addendum item is just for miscellaneous bulky waste items generated by the construction activities.***
