

Welcome to the team!

Eve Pelletier

Recreation and Senior Programs Coordinator

We are very excited to have Eve Pelletier join our Preston team on December 15, 2025! Her position as Recreation and Senior Programs Coordinator will begin with part-time hours as she pursues her college degree.

We are looking forward to the opportunities this will allow us to better represent and engage all ages and expand our programs and activities to meet the diverse needs and interests of our community. This will further allow us to concentrate on the core pillars of our strategic plan including maintaining and improving the quality of municipal services and reinvigorating civic pride through community initiatives and events. This collaboration and partnership with Parks and Recreation, Youth Services Advisory Board and Senior Affairs is a testament to our innovativeness, and is reflective of our values to be responsive, and to pursue excellence with passion and enthusiasm. Eve's background, education and experiences will serve our community well now and into the future.

Eve comes to us as an intern from South Windsor Parks & Recreation where she supported the planning and execution of community programs and events. Eve also has experience with the Community Organized and Operated Latchkey, Inc. (C.O.O.L) After School Program as a Program Assistant at Andover Elementary School. She previously held the position of Assistant Waterfront Director with the New London County 4-H Camp where she organized and facilitated daily activities including swimming, sports, hands-on river exploration, dances and talent shows. Eve was previously Assistant Head Teacher at Play & Learn Child Development Center in Preston, supporting the developmental needs of each child through structured activities, efficiently created and implemented daily schedules and routines, as well as encouraged creative play and learning.

As a current undergraduate student at Eastern Connecticut State University, Eve is pursuing her Bachelor of Science Degree in Business Administration with concentration in Sports Management and Minor in Physical Education. Her current awards include Dean's List and Tri-Alpha National Honors Society. Her anticipated graduation date is Spring 2026. After graduation, Eve will begin full-time hours with the Town of Preston. Eve currently holds certifications in lifeguarding (including Deep Water) with CPR/AED for Professional Rescuers and First Aid and Waterfront Skills, BSA Paddle Craft Safety.

Please join me in giving Eve a BIG Preston welcome!

Sandra Allyn-Gauthier, First Selectwoman
