

Notice of new Vendor/Peddler Permit issued to: Jack Simmons, Trinity Solar

The Town of Preston issued a permit to Jack Simmons effective January 8, 2026 for one year. Jack drives a CT registered Black Mazda CX-5 SUV and he will have appropriate ID.

If there are any Preston residents who do not wish to be solicited door-to-door for solar energy, batteries or roofing by Trinity Solar, you may email Trinity Solar directly at: Licensing@Trinity-Solar.com and include the following:

- Enter as your email subject: Do Not Knock List
- In the body of your email, provide your full name and full address including your zip code.
- A member of Trinity Solar's licensing team will retrieve your email and load your info into a GPS software program called Spotio. Your house will then be marked as "Do Not Knock".

For more information about Trinity Solar, visit their [website](#).
